5. Restrictions, if any, on business the corporation may carry on or on powers the corporation may exercise: Limites, s'il y a lieu, imposées aux activités commerciales ou aux pouvoirs de la société :

NONE

6. The classes and any maximum number of shares that the corporation is authorized to issue: Catégories et nombre maximal, s'il y a lieu, d'actions que la société est autorisée à émettre :

The capital of the Corporation shall consist of an unlimited number of non-voting Class "A" Preference Shares, ("**Class "A" Preference Shares**") ; an unlimited number of non-voting Class "B" Preference Shares ("**Class "B" Preference Shares**") ; an unlimited number of non-voting Special Shares (the "**Special Shares**") ; and unlimited number of Common Shares (the "**Common Shares**").

7. Rights, privileges, restrictions and conditions (if any) attaching to each class of shares and directors authority with respect to any class of shares which may be issued in series:

Droits, privilèges, restrictions et conditions, s'il y a lieu, rattachés à chaque catégorie d'actions et pouvoirs des administrateurs relatifs à chaque catégorie d'actions qui peut être émise en série :

1. CLASS "A" PREFERENCE SHARES

(a) The holders of the Class "A" Preference Shares, in priority to the holders of Class "B" Preference Shares, Special Shares or Common Shares or any other shares ranking junior to the Class "A" Preference Shares, shall be entitled to receive and the Corporation shall pay thereon, as and when declared by the board of directors of the Corporation in their discretion out of the monies of the Corporation properly applicable to the payment of dividends, such preferential, non-cumulative dividends per share at an annual aggregate rate of up to 75% of the lending rate quoted by the branch in the Province of Ontario of the Corporation's bankers for the time being to its most favoured commercial customers on Canadian dollar loans (the "Prime Rate") determined as at the date of the dividend declaration and calculated on the "Redemption Amount" for each Class "A" Preference Share as hereinafter defined. The Redemption Amount at any particular time of each Class "A" Preference Share shall be the quotient determined by dividing the difference between:

- (i) the fair market value of the property sold or transferred to or exchanged with the Corporation from time to time as consideration for the issue of a Class "A" Preference Share less the aggregate of the fair market value of any non-share consideration given by the Corporation to the person transferring such property at the time of such transfer and the fair market value of any liabilities assumed by the Corporation at the time of such transfer (the aforesaid fair market values to be determined by the director(s) of the Corporation as at the date of transfer in accordance with generally accepted valuation and accounting principles; and
- (ii) the Redemption Amounts of Class "A" Preference Shares previously redeemed by the Corporation;

by the total number of Class "A" Preference Shares then issued and outstanding.

If within four (4) months after the expiration of any fiscal year of the Corporation the board of directors in their discretion shall not have declared any preferential, non-cumulative dividends on the Class "A" Preference Shares for such fiscal year, then the rights of the holders of the Class "A" Preference Shares to such dividends shall be forever extinguished for such fiscal year. The holders of the Class "A" Preference Shares shall not be entitled to any dividends other than or in excess of the preferential, non-cumulative dividends at the said rate hereinbefore provided for, or to participate in any other or additional earnings or profits of the Corporation.

(b) Except with the consent in writing of the holders of all the Class "A" Preference Shares outstanding, no dividends shall at any time be declared or paid upon or set aside for payment on any Class "B" Preference Shares, Special Shares or Common Shares or on any shares of any other class ranking junior to the Class "A" Preference Shares, for any fiscal year unless and until a preferential non-cumulative dividend for such fiscal year as determined by the board of directors on the Class "A" Preference Shares outstanding has been declared and paid or a sum set aside for payment thereof.

(c) The holders of the Class "A" Preference Shares shall not be entitled, except as otherwise specifically provided in the Business Corporations Act, R.S.O., 1990, Chapter B.16, or any successor statute (hereinafter referred to in these Articles as the "Act"), to receive notice of and to attend any meeting of the Shareholders of the Corporation and shall not be entitled to vote at any such meeting.

(d) In the event of the liquidation, dissolution or winding up of the Corporation or other distribution of assets of the Corporation among shareholders for the purpose of winding up its affairs, the holders of the Class "A" Preference Shares shall be entitled to receive out of the assets and property of the Corporation, before any amount is paid or any property or assets of the Corporation distributed to the holders of any Class "B" Preference Shares, Special Shares or Common Shares, or shares of any other class ranking junior to the Class "A" Preference Shares, for each share, an amount equal to the Redemption Amount thereon together with all declared and unpaid preferential, non-cumulative dividends thereon; after payment to the holders of the Class "A" Preference Shares of the amounts so payable to them as above provided, they shall not be entitled to share in any further distribution of the property or assets of the Corporation. If the assets and property of the Corporation, including surplus, are not

7. *Continued*

sufficient to pay the Redemption Amount together with all declared and unpaid preferential, non-cumulative dividends, then all of the said assets or the proceeds thereof shall be distributed pro rata among the holders of the Class "A" Preference Shares.

(e) The Corporation may, subject to the Act, upon giving notice as hereinafter provided, redeem at any time the whole or from time to time any part of the then outstanding Class "A" Preference Shares without the consent of the holders thereof on payment for each share to be redeemed of the relevant Redemption Amount, together with an amount equal to all dividends declared thereon and remaining unpaid (the "Redemption Price"). In case of redemption of the Class "A" Preference Shares the Corporation shall, at least twenty (20) days before the date specified for redemption (the "Redemption Date"), mail to each person who, at the date of mailing, is a registered holder of any Class "A" Preference Shares as the case may be, to be redeemed, a notice in writing of the intention of the Corporation to redeem such shares (the "Redeemed Shares"); such notice shall, unless otherwise waived by all persons entitled thereto, be mailed in a prepaid letter addressed to each such shareholder at his address as it appears on the books of the Corporation or, in the event of the address of any such shareholder not so appearing, then to the last known address of such shareholder; provided however, that accidental failure to give any such notice to one or more of such holders shall not affect the validity of such redemption. Such notice shall set out the Redemption Price and the Redemption Date and, if part only of the shares held by the person to whom such notice is addressed is to be redeemed, the number thereof so to be redeemed. On or after the Redemption Date, the Corporation shall pay or cause to be paid to or to the order of the registered holders of the Redeemed Shares the aggregate Redemption Price thereof on presentation and surrender at the registered office of the Corporation, or any other place designated in such notice, of the certificates representing the shares called for redemption; such shares shall thereupon be redeemed. If a part only of the shares represented by any certificate is redeemed, a new certificate for the balance shall be issued at the expense of the Corporation. From and after the Redemption Date, the Redeemed Shares shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the aggregate Redemption Price shall not be made upon presentation of certificates in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected. The Corporation shall have the right, at any time after the mailing of notice of its intention to redeem any shares as aforesaid, to deposit the aggregate Redemption Price of the Redeemed Shares, or of such of the said shares as are represented by certificates which have not at the date of such deposit been surrendered by the holders thereof in connection with such redemption, to a special account in any chartered bank or any trust company in Canada named in such notice to be paid without interest to or to the order of the respective holders of such Redeemed Shares upon presentation and surrender to such bank or trust company of the certificates representing the same, and upon such deposit being made or upon the Redemption Date in such notice, whichever is the later, the shares in respect whereof such deposit shall have been made shall be redeemed and the rights of the holders thereof after such deposit or such Redemption Date, as the case may be, shall be limited to receiving without interest their proportionate part of the aggregate Redemption Price so deposited against presentation and surrender of the said certificates held by them respectively.

(f) The holders of the Class "A" Preference Shares shall be entitled, upon giving notice as hereinafter provided, to require the Corporation to redeem at any time all or any part of the Class "A" Preference Shares registered on the name of such holders on the books of the Corporation by tendering to the Corporation at its registered office the share certificate or certificates representing the Class "A" Preference Shares which the registered holder desires to have the Corporation redeem together with a request in writing specifying:

- (i) that the registered holder desires to have the Class "A" Preference Shares, or so many thereof as such holder may specify which are represented by such certificate or certificates, redeemed by the Corporation; and
- (ii) the business day (in this paragraph referred to as the "Redemption Date") on which the holder desires to have the Corporation redeem such Class "A" Preference Shares which shall not be less than thirty (30) days following the day on which the request in writing is given to the Corporation. Upon receipt of the share certificate or certificates representing the number of Class "A" Preference Shares which the registered holder desires to have the Corporation redeem, together with such a request, the Corporation shall, on the Redemption Date, redeem the number

7. *Continued*

of Class "A" Preference Shares so to be redeemed by paying to such registered holder an amount equal to the aggregate Redemption Amount of the Class "A" Preference Shares being redeemed together with an amount equal to all dividends declared thereon and remaining unpaid (the "Redemption Price"). If a part only of the Class "A" Preference Shares represented by any such certificate or certificates is to be redeemed, a new certificate for the balance shall be issued at the expense of the Corporation. The Class "A" Preference Shares shall be redeemed on the Redemption Date and from and after the Redemption Date such shares shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of holders of the Class "A" Preference Shares in respect thereof unless payment for the Redemption Price is not made on the Redemption Date, in which event the rights of the holders of the said shares shall remain unaffected.

- (g) The foregoing sub-paragraphs shall be subject to the provisions of this sub-paragraph with respect to the Redemption Amount of the Class "A" Preference Shares. In the event that Revenue Canada, Taxation (the "Department") determines that the fair market value of any property sold or transferred to or exchanged with the Corporation in exchange for any non-share consideration and Class "A" Preference Shares of the Corporation is greater or less than the sum of the said non-share consideration and the aggregate Redemption Amount of the said Class "A" Preference Shares so exchanged, then the aggregate Redemption Amount shall be increased or decreased to reflect the amount by which the fair market value of the property so sold, transferred or exchanged exceeds the non-share consideration, as ultimately determined.

The adjustment to the Redemption Amount for each Class "A" Preference Share shall be equal to the total increase or decrease so determined as aforesaid divided by the number of Class "A" Preference Shares so issued, which adjustment shall be deemed to have been made, nunc pro tunc, to the date of first issuance of said shares. In the event that any of the Class "A" Preference Shares have been redeemed prior to the date of the ultimate determination, cash settlements will be made by the holder of the said shares or the Corporation as the case may be. Reference to value as ultimately determined herein shall have the following meaning:

- (i) such amount as may be agreed by the Department, the Corporation and the Class "A" Preference Shareholders, to have been the fair market value of the property sold, transferred or exchanged for such Class "A" Preference Shares; or
- (ii) in the absence of such agreement, such amount as shall be determined by a Court having jurisdiction in the matter (after all appeal rights have been exhausted or all times for appeal have expired without appeals having been taken) to be the fair market value of the property sold, transferred, or exchanged for such Class "A" Preference Shares.

2. Class "B" Preference Shares

(a) The holders of the Class "B" Preference Shares, in priority to the holders of Special Shares, Common Shares or any other shares ranking junior to the Class "B" Preference Shares, shall be entitled to receive and the Corporation shall pay thereon, as and when declared by the board of directors of the Corporation in their discretion out of the monies of the Corporation properly applicable to the payment of dividends, such preferential, non-cumulative dividends per share at an annual aggregate rate of up to 75% of the Prime Rate determined as at the date of the dividend declaration and calculated on the initial issue Price of each Class "B" Preference Share (the "Redemption Amount"). If within four (4) months after the expiration of any fiscal year of the Corporation the board of directors in its discretion shall not have declared any preferential, non-cumulative dividends on the Class "B" Preference Shares for such fiscal year, then the rights of the holders of the Class "B" Preference Shares to such dividend for such fiscal year shall be forever extinguished for such fiscal year. The holders of the Class "B" Preference Shares shall not be entitled to any dividends other than or in excess of the preferential, non-cumulative dividends hereinbefore provided for or to participate in any other or additional earnings or profits of the Corporation.

- (b) Except with the consent in writing of the holders of all the Class "B" Preference Shares outstanding, no dividends shall at any time be declared or paid upon or set aside for payment on any Special Shares or Common Shares or on any shares of any other class ranking junior to the Class "B"

7. *Continued*

Preference Shares, for any fiscal year unless and until a preferential, non-cumulative dividend for such fiscal year as determined by the board of directors on the Class "B" Preference Shares outstanding has been declared and paid or a sum set aside for payment thereof.

(c) The holders of the Class "B" Preference Shares shall not be entitled, except as otherwise specifically provided in the Business Corporations Act, R.S.O., 1990, Chapter B.16, or any successor statute (hereinafter referred to in these Articles as the "Act"), to receive notice of or to attend any meeting of the shareholders of the Corporation and shall not be entitled to vote at any such meeting.

(d) In the event of the liquidation, dissolution or winding up of the Corporation or other distribution of the assets of the Corporation among shareholders for the purpose of winding up its affairs, the holders of the Class "B" Preference Shares shall be entitled to receive out of the assets and property of the Corporation, before any amount is paid or any property or assets of the Corporation distributed to the holders of any Special Shares or Common Shares or shares of any other class ranking junior to the Class "B" Preference Shares, for each share, an amount equal to the Redemption Amount together with all declared and unpaid preferential, non-cumulative dividends thereon; after payment to the holders of the Class "B" Preference Shares of the amounts so payable to them as above provided, they shall not be entitled to share in any further distribution of the property or assets of the Corporation. If the assets and property of the Corporation including surplus are not sufficient to pay the Redemption Amount together with all declared and unpaid preferential, non-cumulative dividends, then all of the said assets or the proceeds thereof shall be distributed pro rata among the holders of the Class "B" Preference Shares.

(e) The Corporation may, subject to the Act, upon giving notice as hereinafter provided, redeem at any time the whole or from time to time any part of the then outstanding Class "B" Preference Shares without the consent of the holders thereof on payment for each share to be redeemed of the relevant Redemption Amount, together with an amount equal to all dividends declared thereon and remaining unpaid (the "Redemption Price"). The redemption of any Class "A" Preference Shares shall take place in accordance with the provisions of paragraphs 1(e) of these articles, save and except that any reference to the "Redemption Amount" shall be read as the "Redemption Amount" as defined in this section and, any reference to the "Redemption Price" shall be read as the "Redemption Price" as defined in this section and any reference to "Class "A" Preference Shares" shall be read as "Class "B" Preference Shares".

(f) The holders of the Class "B" Preference Shares shall be entitled, upon giving notice as hereinafter provided, to require the Corporation to redeem at any time all or any part of the Class "B" Preference Shares registered in the name of such holders on the books of the Corporation. Any said redemption of any Class "B" Preference Shares shall take place in accordance with the provisions of paragraph 1(f) of these articles, save and except that any reference to the "Redemption Amount" shall be read as the "Redemption Amount" as defined in this section, and reference to the "Redemption Price" shall be read as the "Redemption Price" as defined in this section and any reference to "Class "A" Preference Shares" shall be read as if "Class "B" Preference Shares".

3. Special Shares

The Special Shares shall carry and be subject to the following rights, privileges, restrictions and conditions:

(a) The holders of the Special Shares shall not be entitled (except as otherwise specifically provided in the Act), to receive notice of or to attend any meeting of the shareholders of the Corporation and shall not be entitled to vote at any such meeting.

(b) Subject to the rights, privileges, restrictions and conditions attaching to any other class of shares of the Corporation relating to the payment of dividends, all further dividends declared in any fiscal year shall be declared and paid in equal amounts per share on all the Special Shares and all the Common Shares at the time outstanding without preference or distinction.
